ĐỀ CHÍNH THỰC (Đề thi có 07 trang)

Thời gian làm bài: 90 phút, không kể thời gian phát đề

Mã đề thi 262

Question 1:	С	Expression with 'vary'	Question 11:	A	1 ST paragraph
Question 2:	В	Best implication	Question 12:	D	1 ST paragraph
Question 3:	C	Phrasal verb ~ conduction	Question 13:	C	2 nd paragraph
Question 4:	D	Meaning: at night time	Question 14:	В	5 th paragraph
Question 5:	С	Idiom	Question 15:	D	6 th paragraph
Question 6:	С	Meaning: over several areas	Question 16:	В	7 th paragraph
Question 7:	В	Phrasal verb: change	Question 17:	D	Last paragraph
Question 8:	D	Set expression	Question 18:	В	Warning
Question 9:	С	Meaning: many	Question 19:	D	Expression with the verb 'deserve'
Question 10:	A	Meaning: provoked	Question 20:	В	Different subjects in two clauses
Question 21:	D	Meaning	Question 31:	D	anthropological
Question 22:	C	Expression with 'command'	Question 32:	C	come
Question 23:	C	Overall passage	Question 33:	В	to explain
Question 24:	D	Overall passage	Question 34:	A	continue
Question 25:	A	2 nd paragraph	Question 35:	В	was
Question 26:	C	4 th paragraph	Question 36:	A	Meaning
Question 27:	D	5 th paragraph	Question 37:	D	Introductory verbal phrase
Question 28:	C	Grunge: dark	Question 38:	D	Expression the 'ascribe'
Question 29:	A	Last sentence	Question 39:	D	Expression with 'apology'
Question 30:	D	Referent	Question 40:	A	Inversion
Question 41:	В	Phrasal verb	Question 51:	A	Split phrasal verb
Question 42:	D	Expression with 'contented'	Question 52:	C	Meaning Meaning
Question 43:	В	Expression with 'imprisonment'	Question 53:	D	Set expression
Question 44:	В	Phrasal verb	Question 54:	D	General meaning
Question 45:	D	Expression with 'consider'	Question 55:	D	Conditional without 'if'
Question 46:	A	Prediction	Question 56:	D	By + gerund: manner
Question 47:					
0	C	Phrasal verb	Question 57:	D	Related to medical use
Question 48:	C	Phrasal verb Inversion	Question 57: Question 58:		
Question 48: Question 49:			-	D	Related to medical use
	C	Inversion	Question 58:	D B	Related to medical use Present perfect progressive
Question 49: Question 50:	C C A	Inversion Set expression Phrasal verb	Question 58: Question 59: Question 60:	D B D	Related to medical use Present perfect progressive Definite reference Conditional without 'if'
Question 49: Question 50: Question 61:	C C A	Inversion Set expression Phrasal verb Meaning	Question 58: Question 59: Question 60: Question 71:	D B D	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure
Question 49: Question 50: Question 61: Question 62:	C C A B B	Inversion Set expression Phrasal verb Meaning One the other	Question 58: Question 59: Question 60: Question 71: Question 72:	D B D	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure Equivalent structure
Question 49: Question 50: Question 61: Question 62: Question 63:	C C A B B C C	Inversion Set expression Phrasal verb Meaning One the other Noun clause as subject	Question 58: Question 59: Question 60: Question 71: Question 72: Question 73:	D B D A A	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure Equivalent structure Equivalent structure
Question 49: Question 50: Question 61: Question 62: Question 63: Question 64:	C C A B B B C B	Inversion Set expression Phrasal verb Meaning One the other Noun clause as subject Idiom	Question 58: Question 59: Question 60: Question 71: Question 72: Question 73: Question 74:	D B D A A C	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure Equivalent structure Equivalent structure Equivalent structure
Question 49: Question 50: Question 61: Question 62: Question 63: Question 64: Question 65:	C C A B B C B A	Inversion Set expression Phrasal verb Meaning One the other Noun clause as subject Idiom Inversion with 'not only'	Question 58: Question 59: Question 60: Question 71: Question 72: Question 73: Question 74: Question 75:	D B D A A C C	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure Equivalent structure Equivalent structure Equivalent structure Equivalent structure Equivalent structure
Question 49: Question 50: Question 61: Question 62: Question 63: Question 64: Question 65: Question 66:	C C A B B C C B A B	Inversion Set expression Phrasal verb Meaning One the other Noun clause as subject Idiom Inversion with 'not only' Equivalent structure	Question 58: Question 59: Question 60: Question 71: Question 72: Question 73: Question 74: Question 75: Question 76:	D B D A A C C C B	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure Equivalent structure Equivalent structure Equivalent structure Equivalent structure structure structure equivalent structure structure structure structure structure structure structure structure
Question 49: Question 50: Question 61: Question 62: Question 63: Question 64: Question 65: Question 66: Question 67:	C C A B B C B A B C C	Inversion Set expression Phrasal verb Meaning One the other Noun clause as subject Idiom Inversion with 'not only' Equivalent structure Equivalent structure	Question 58: Question 59: Question 60: Question 71: Question 72: Question 73: Question 74: Question 75: Question 76: Question 77:	D B D A A C C B D	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure Equivalent structure Equivalent structure Equivalent structure Equivalent structure Equivalent structure stressed on 2 nd syllable, others 3 rd stressed on 2 nd syllable, others 3 rd
Question 49: Question 50: Question 61: Question 62: Question 63: Question 64: Question 65: Question 66: Question 67: Question 68:	C C A B B C C B C A	Inversion Set expression Phrasal verb Meaning One the other Noun clause as subject Idiom Inversion with 'not only' Equivalent structure Equivalent structure Equivalent structure	Question 58: Question 59: Question 60: Question 71: Question 72: Question 73: Question 74: Question 75: Question 76: Question 77: Question 78:	D B D A A C C B D C	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure Equivalent structure Equivalent structure Equivalent structure Equivalent structure structure Equivalent structure stressed on 2 nd syllable, others 3 rd stressed on 2 nd syllable, others 3 rd stressed on 2 nd syllable, others 1 st
Question 49: Question 50: Question 61: Question 62: Question 63: Question 64: Question 65: Question 66: Question 67:	C C A B B C B A B C C	Inversion Set expression Phrasal verb Meaning One the other Noun clause as subject Idiom Inversion with 'not only' Equivalent structure Equivalent structure	Question 58: Question 59: Question 60: Question 71: Question 72: Question 73: Question 74: Question 75: Question 76: Question 77:	D B D A A C C B D	Related to medical use Present perfect progressive Definite reference Conditional without 'if' Equivalent structure Equivalent structure Equivalent structure Equivalent structure Equivalent structure structure at research on 2 nd syllable, others 3 rd stressed on 2 nd syllable, others 3 rd
