Driving a car can be expensive. The bicycle, on the other hand, is a cheap form of (31)_____ because it doesn't need any fuel. In fact, it costs practically nothing after you've bought it. It also helps keep you fit because you get exercise when you ride it. Another good thing (32)_____ a bicycle is that it doesn't pollute the air. If everyone rode bicycles instead of driving cars, we wouldn't be using up the world's oil so quickly.

While the bicycle has these advantages, it has some disadvantages too. It is convenient only for relatively short journeys, (33)_____ you can travel quite a long way in comfort in a car. Another problem is that the cyclist is not protected from the weather and gets wet when it rains.

Cycling isn't very nice in heavy traffic (34)_____. The best place for a bike ride is a quiet country lane. Main roads and city streets are often so busy that it needs some courage to (35)_____ a bike on them.

People usually sing because they like music or because they feel happy. They express their happiness by singing. When a bird sings, however, its song usually means much more than that the bird is happy. Birds have many reasons for singing. They sing to give information. Their songs are their language.

The most beautiful songs are sung by male birds. They sing when they want to attract a female bird. It is their way of saying that they are looking for a wife.

Birds also sing to tell other birds to keep away. To a bird, his tree or even a branch of a tree is his home. He does not want strangers to come near him, so he sings to warn them.

If a bird cannot sing well, he usually has some other means of giving important information. Some birds dance, spread out their tails or make other signs.
