**Đọc kỹ đoạn văn sau và chọn phương án đúng (A hoặc B, C, D) cho mỗi câu từ 40 đến 44:**

In the United States and Canada, it is very important to look a person in the eyes when you are having a conversation with him or her. If you look down or to the side when the other person is talking, that person will think that you are not interested in what he or she is saying. This of course, is not polite. If you look down or to the side when you are talking, you may appear hiding something, that is, it might seem that you are not honest. However, people who are speaking will sometimes look away for a few seconds when they are thinking or trying to find the right word. But they always turn immediately back to look the listener in the eye. These social rules are the same for two women, two men, a woman and a man, or an adult and a child.
