In the United States and Canada, it is very important to look at a person in the eyes when you are having a conversation with him or her. If you look down or to the side when the other person is talking, that person will think that you are not interested in what he or she is saying. This of course, is not polite. If you look down or to the side when you are talking, you may appear hiding something, that is, it might seem that you are not honest. However, people who are speaking will sometimes look away for a few seconds when they are thinking or trying to find the right word. But they always turn immediately back to look the listener in the eyes. These social rules are the same for two women, two men, a woman and a man, or an adult and a child.

Câu 6: These social rules are used for _____.

- A. two men
- B. a man and a woman
- C. everybody
- D. two women

Câu 7: When you are talking to an American or Canadian, you should _____.

- A. look directly at him or her
- B. look to the side
